

RESPONSIBLE PROCUREMENT. COMPLIANT DELIVERY.

Institutional procurement solutions for Afghanistan

WatanPlus supports NGOs and INGOs, UN agencies, multilateral development banks, government institutions, banks and MFIs, and responsible businesses with disciplined sourcing, logistics, supplier due diligence, productive-asset access, and Murabaha procurement facilitation.

Legal entity WatanPlus LLC	Established 2018
Registration authority Afghanistan Ministry of Industry and Commerce	Registration number 47053

Core capabilities

Procurement solutions and logistics	Bid and opportunity participation, requirements definition, sourcing, solicitation, evaluation support, contracting records, delivery coordination, and compliant closeout.
Access to productive machines	Curated machinery access for Afghan MSMEs, including appropriate specifications, sourcing, safety information, installation, training, and support considerations.
Murabaha procurement facilitation	Supplier and asset verification, quotation controls, procurement documentation, delivery evidence, and coordination that supports the bank or MFI's Sharia and credit governance.

How WatanPlus protects value and trust

Integrity Transparent conduct, conflict management, due diligence, and defensible supplier decisions.	Accountability Clear ownership of approvals, actions, records, delivery, exceptions, and closeout.
Compliance Alignment with client and donor policies, applicable Afghan law, public procurement requirements, contracts, AML/CFT controls, and audit obligations.	Value for money Balanced assessment of price, quality, fitness, timing, operating cost, risk, and service support.
Employment through procurement Fair access for capable Afghan MSMEs, women-owned businesses, and youth, with credible employment and local-value reporting.	Green and White Procurement Green addresses environmental responsibility and whole-life value. White addresses regulatory, donor, contractual, integrity, and AML/CFT compliance.

Typical engagement pathway

1	Define	Confirm need, rules, budget, location, timing, and decision authority.
2	Source	Map capable suppliers and apply proportionate due diligence.
3	Compete	Use clear specifications, comparable quotations, and documented evaluation.
4	Deliver	Track contracting, logistics, inspection, acceptance, and closeout evidence.

Discuss a requirement info@watanplus.com https://watanplus.com Kabul, Afghanistan	Important WatanPlus provides procurement and facilitation services. Banks and MFIs retain financing, credit, ownership, contracting, and Sharia-approval decisions.
